

# DR. KING, YOUTH, & WAR *a coffeehouse*

## Chicory Café

(corner of Jefferson and Michigan,  
Downtown South Bend)

Friday, Jan. 20<sup>th</sup>  
8-11 PM

The pressure's on from military recruiters these days. But this has local students—and followers of Dr. King—concerned. Come listen to a former military recruiter tell his story, get a first-hand account from a soldier who was in Iraq, hear MLK speech excerpts on war, and enjoy great music, coffee and food.

Sponsored by the Center for Peace and Nonviolence.
